The Oxford College of Arts offers a blend of learning, co-curricular activities and workshops. It is having an experienced and a supportive faculty and seniors. On a personal note, my life in The Oxford College of Arts was an experience, a breath-taking and an enriching one. It did have its ups and downs but was a great learning curve nevertheless. The college environment exposed me to a diverse crowd and culture and gave me a broader perspective on life. TOCA has developed my overall personality and fuelled me with confidence. The set of friends and colleagues I got were excellent and helped me grow as an individual. My sincere thanks to all the faculty members, especially to Professors - Mamatha ma'am, Anita ma'am and Chayya Ma'am for molding me into a better human being with their constant support, motivation and guidance. I am carrying along with me, a beautiful memory of this place and will always cherish them. Thank you TOCA for making this journey of mine, a pleasant and a memorable one.
