Coding, Web designing, Gaming, IT quiz and also events like Debate, Buzzinga and ET quiz. The event started by welcoming Sri.Narasa Raju Garu, President, Children Education Society, under which The Oxford group of Institutions have been established. The chief guest Sri T.S Sethunathan, Vice President, Celstream Technologies, applauded the IMPULSE'14 team for their excellence in the design of the brochures and

organisation of the event, and also mentioned that it is no less than any corporate event. IMPULSE'14 also experienced the gracious presence of our Executive Director Sri.S.N.V.L.Narasimha Raju Garu, Vice President, Children Education Society, who praised IMPULSE'14 team for their enthusiasm and appreciated the team IMPULSE'14. He was also very impressed about the excellent dress code of the students, which resembled a corporate function. Dr.Rajashekhariah, chief mentor, Oxford Group of Institutions and Dr.R.Nagaraj, Principal, TOCE, expressed their wishes to the participants for success and conveyed their appreciation for team IMPULSE and Dept. of CSE for organizing the events systematically with innovative ideas. IMPULSE'14 provides an opportunity for the students to discover their skills in various aspects such as design and entrepreneurship while they whole heartedly organise the event with the constant guidance and support from the Head of the Department Dr. R J Anandhi and the staff of the Department of Computer Science and Engineering. Around 225 students from various colleges participated in various events, which made IMPULSE'14 a grand success.
