## STATEMENT OF OBJECTS AND REASONS

**Act 43 of 1994.**— On the basis of the report submitted by the Karnataka Third Backward Classes Commission headed by Justice O. Chinnappa reddy determining the socially and educationally backward classes in the State and the guidelines issued by the Supreme Court in Vasanthkumar's case and in the judgement delivered by the Supreme Court on 16th november, 1992 in *Indra Sawhney' -Vs- Union of India (AIR 1993 SC 477)*, the State Government adopted a new reservation policy in order No. SWD 75 BCA 92 dated 20th April, 1994 to provide for reservation facilities in educational institutions and in appointments or posts in the services under the State for Other Backward Classes to fifty per cent in addition to reservation for Scheduled Classes and Scheduled Tribes to the extent of twenty-three per cent.

But after the issue of this order, the State Government, after considering the demands of several classes of people and associations and comparing the existing reservation provided to Other Backward Classes with the total population in the State as well as the population of the persons belonging to Other Backward Classes residing in rural areas and taking into consideration that such classes are below the poverty line, modified the order dated 20th April, 1994 in G.O. No. SWD 150 BCA 94 dated 25th July, 1994 increasing the reservation quota for Other Backward Classes from fifty per cent to fifty-seven per cent. This was challenged by the religious institutions in the Supreme Court and the State Government has assured before the supreme court that the reservation order dated 25th July, 1994 would not be implemented.

At present, the Tamilnadu and other neighbouring States, on the basis of the population of the backward classes in the respective States have made provision for reservation more than fifty per cent. Recently, Tamilnadu Legislature has passed a legislation increasing the reservation quota of the backward classes to 69 per cent.

The President has assented to the Bill and it has become an Act. The Government of India has also introduced a Bill in the Rajyasabha, amending the constitution to include the said Act in the Ninth Schedule. The Bill has been passed by both the Houses of Parliament.

The State Government have taken into consideration the population of backward classes in the Karnataka State and having regard to the special status of the social and educational backwardness of these persons considered it necessary to bring a similar legislation to enforce the reservation policy issued in the Government Order dated 25th July, 1994 to enhance the over all reservation quota to eighty per cent.

Hence the Bill.
