Solar Lighting Initiative

The Successful implementation of the solar lighting initiative aimed at enhancing the socio-economic conditions of unorganized workers. The initiative was a collaborative effort between The Department of Social Work at The Oxford College of Arts , Nevil Foundation, Tumkur and Selco Foundation Bangalore

The primary objective of the project was to provide solar lighting solutions to cobblers, street vendors, bakery, and tea shop individuals, thereby improving their socio-economic conditions by extending their working hours into the evening.

Integrating SDGs into initiatives like solar light installations for unorganized workers helps in addressing multiple development challenges while fostering inclusive and sustainable growth in society.

On May 2nd, 2024, the initiative culminated in the successful installation of solar lighting systems benefiting seven individuals, including cobblers and a tea shop owner, out of eight identified beneficiaries.

The Installation for first batch was possible in Jayanagar, Koramangala , Doddaballapura , HSR Layout & Hosa Road .

Ramasandra Government Lower Primary School Renovation

Renovated Transformation of Ramasandra Government Lower Primary School is a Student's Collective Initiative named SAHASANKALPA.

Along with Our Faculties as Our Primary Backbone and Guide of The Department of Social Work .

This School was majorly in need of a New Infrastructure which Consisted of Fans, Water Filter, Steel Plates and Glasses , Artwork for Children on Cultural Diversity and Floor Sheet on ground .

The Initiative was executed through Fundraising from Alumnus, Colleagues and Family Members.

Majorly, Our alumnus donated and sponsored Fund and Materials needed. This act of Donation was a Huge Support for us to Move Ahead Working without even thinking of stepping back .

Team SahaSankalpa worked Day and Night to facilitate these children with their Requirements.

Team SahaSankalpa would like to extend Gratitude to everyone who helped us in achieving our objective of Inclusive , Creative and Sustainable Educational Infrastructure.

Survey for Moog Controls India Private Limited By Community Development Students of The Department of School Work .

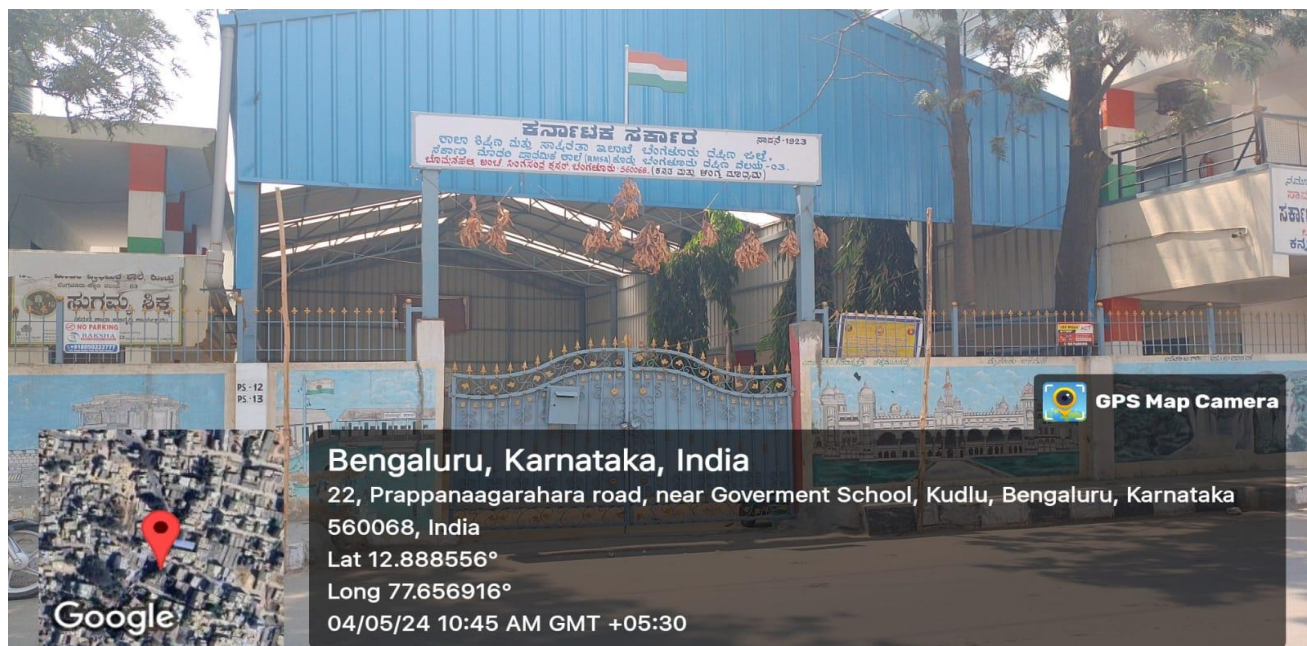

Government Higher Primary School, Rayasandra.

The Inauguration of Renovated school took place on 26th March 2024 in the school premises.

5 Students of Department of Social Work were involved in the survey for a CSR project of Moog India through which the school was facilitated with New Staff Room , Roof Sheet etc with Collaboration of Nevil Foundation and SahaSankalpa (Students Collective Initiative) Department of Social Work, The Oxford College of Arts.
