On 13th December 2024, a group of 11 MSW 1st-year students from the Department of Social Work, accompanied by faculty member Mr. Naveen R, visited 'Seva in Action', an NGO based in Bangalore. The visit, organized as part of their academic curriculum, aimed to provide students with practical exposure to the operations of Social Service Organizations. 'Seva in Action' focuses on the rights and inclusion of persons with disabilities, offering programs in education, livelihood development, health, and advocacy. Students learned about the NGO's approach to skill-building, rehabilitation, and awareness campaigns that empower marginalized communities, especially those with special needs.

The visit began with a welcome and an introductory session led by Mr. Chethanand, Program Manager, and Mrs. Varada, Social Worker. Students engaged in activities with persons with disabilities, such as drawing and painting, fostering communication and mutual understanding. The visit enriched students' academic and professional growth, helping them understand the role of social workers in community development. It inspired students to explore innovative solutions for social issues.
