On January 3, 2025, a group of 10 first-year MSW students visited Swati Mane, an NGO in Bangalore dedicated to supporting sex workers and marginalized communities. The visit aimed to provide practical insights into social work, particularly focusing on sex work and related social issues. The day began with a welcome and an introductory session led by the Program Manager, Mr. Balaji, and a counselor. Students learned about Swati Mane's mission, which includes empowering sex workers through access to healthcare, legal assistance, education, and vocational training. They participated in discussions about challenges faced by social workers and observed role-plays demonstrating community outreach efforts. The visit also provided a firsthand look at the NGO's work, including the legal, healthcare, and financial support given to sex workers. Faculty member Mr. Naveen R highlighted the importance of applying theory to practice, making the visit a valuable learning experience for the students.
