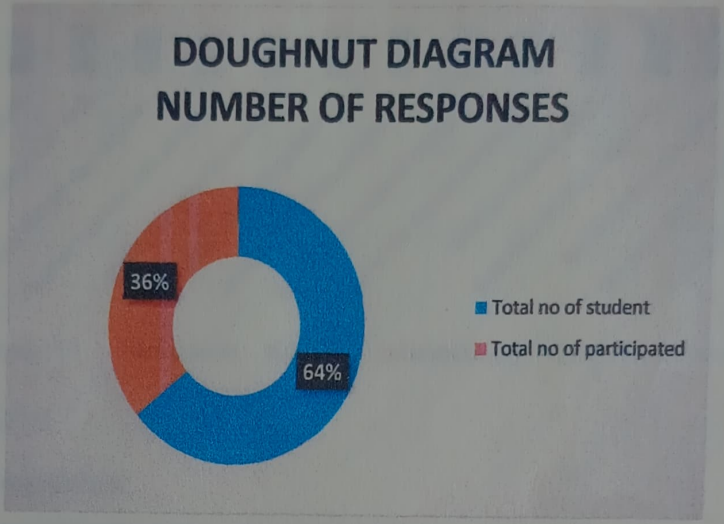
FEEDBACK ANALYSIS FOR THE YEAR 2023-2024

Student's Feedback Framework on Curriculum.

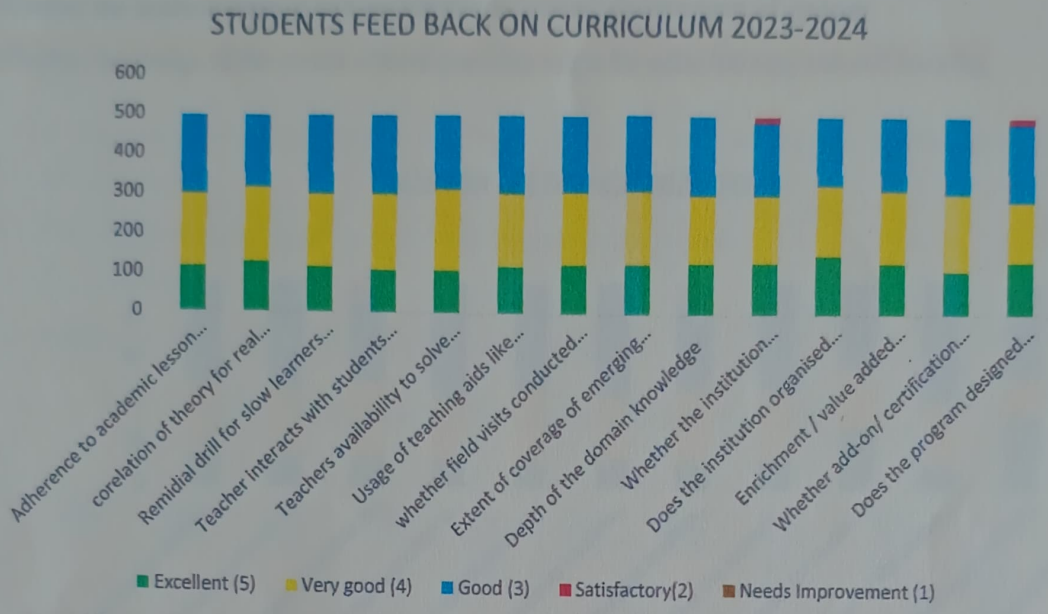
Total number of participants: 550

The total percentage of students taken part is 64 %



The responses were collected from the students and framework:

- Adherence to academic lesson plan
- Correlation of theory for real time **concepts**/ examples with case study and practical /experiential learning
- Remedial drill for slow learners initiated.
- The teacher interacts with students on curricular/Co Curricular/Extra Curricular activities
- Teacher availability to solve academic and non-academic problems
- Usage of teaching aids like PPTs, Web-Sources /references/ eBooks/NPTEL
- Whether field visit conducted are in relevance with programme
- Extent of coverage of emerging topics of the curriculum.
- Depth of the domain knowledge
- **Whether the institution practising latest learning and teaching methodologies**
- Does the institution organised enough internship programmes
- Enrichment / value added courses are conducted every semester
- Whether add-on/ certification courses conducted each semester
- **Does the program designed help students to become industry ready**



Point Aggregate- 4.27/5

Suggestions by the committee:

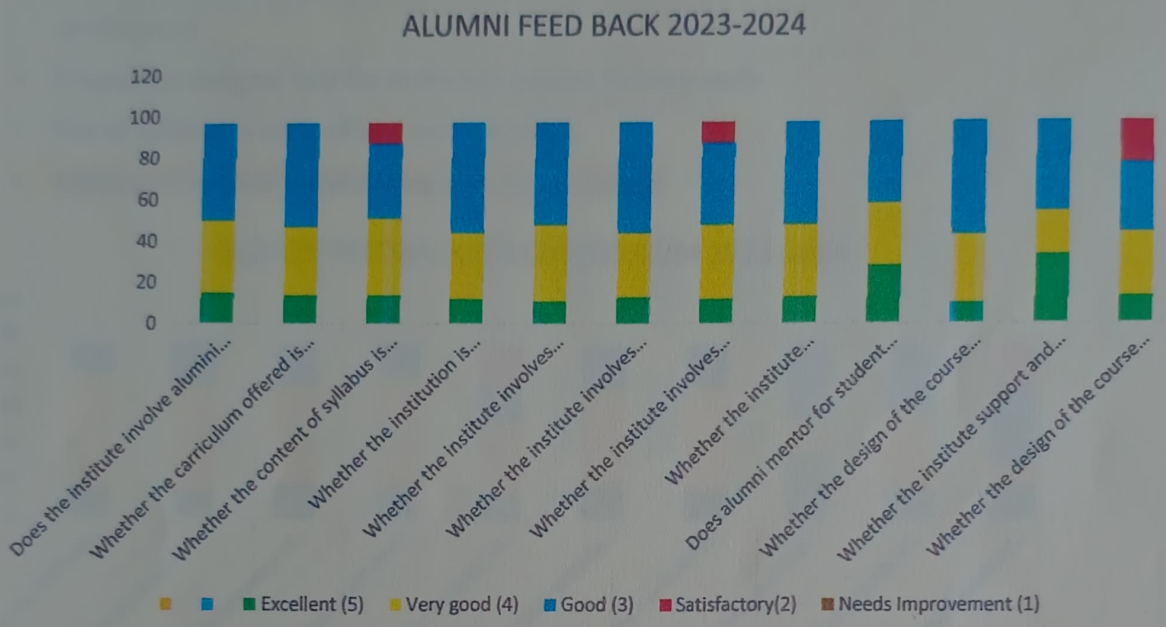
- Provision of latest learning and teaching methodologies.
- Design programme helpful to students to meet industry needs.

Alumni Feedback Framework

The responses were collected from the students and analysed by the committee members on following framework:

- Does the institute involve alumni in PAC meeting
- Whether the curriculum offered is in relation to your current professional standards
- **Whether the content of syllabus is sufficient to bridge the gap b/w academia and industry**
- Whether the institution is practicing latest teaching and learning methodologies
- **Whether the institute involves alumni in designing bridge course**
- Whether the institute involves alumni in conducting program specific industrial visits
- Whether the institute involves alumni in offering industial internships
- Whether the institute incorporates alumni inputs on latest industy requirements in designing add-on/ certificate programs
- Does alumni mentor for student project

- Whether the design of the course offered provides scope for extra learning or self-learning
- Whether the institute support and contributes for overall development of students
- Whether the design of the course offered provides scope for extra learning and self learning.



Point Aggregate- 4.45/5

Suggestions by the committee:

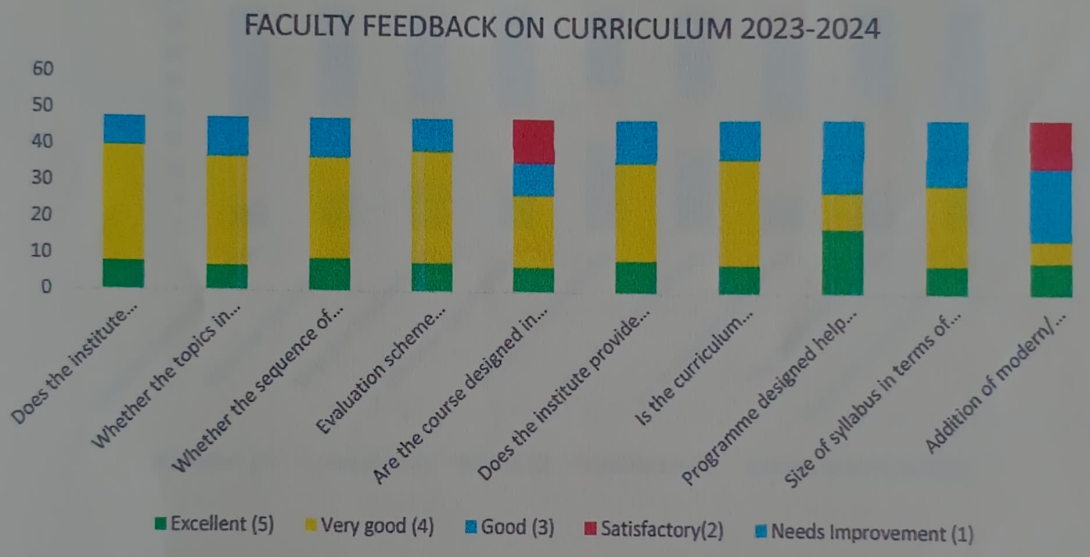
- Design the syllabus to meet the gap between the Academia and industry.
- Plan to include alumni in desgining the bridge courses in the curriculum.
- Plan to design the course provides the scope of learning.

Faculty Feedback Framework on Curriculum.

The responses were collected from the students and analysed by the committee members on following framework:

- Does the institute encourage faculty participation in university academic and examination
- Whether the topics in syllabus are relevant to the programmed outcome.
- Whether the sequence of the course in the programme is effective.
- Evaluation scheme designed for each of the course.

- Are the course designed in relation to real time application as per the industry needs.
- Does the institute provide enough online/offline facilities to access study materials for teaching and learning
- Is the curriculum implemented, career oriented and inclined towards employability and skill development
- Programme designed help the students to become industry ready.
- Size of syllabus in terms of load on the students.
- Addition of modern/ Advanced topics to the curriculum



Point Aggregate- 4.5/5

Suggestions by the committee:

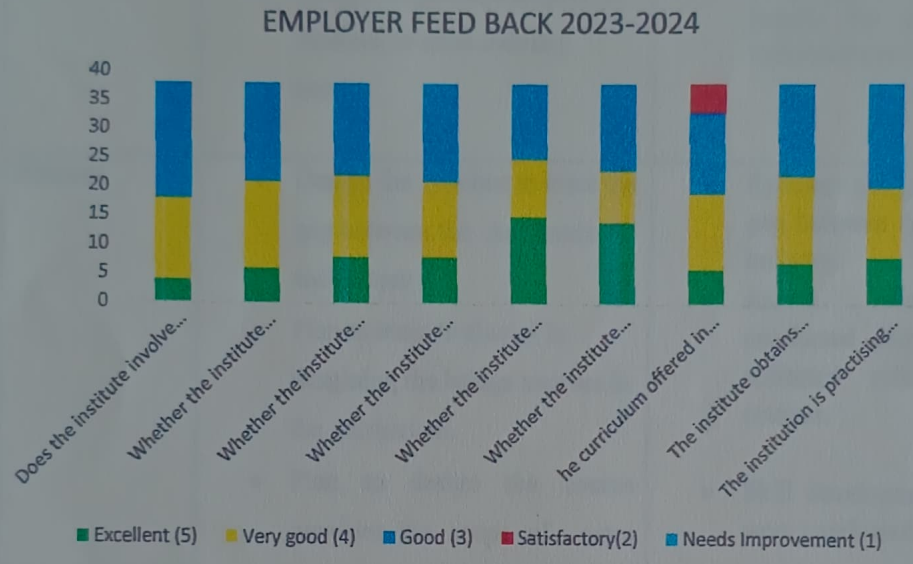
- Design the real time application as per industrial needs.
- Offer more modern/ advanced topics in the curriculum.

Employer Feedback Framework

The responses were collected from the students and analysed by the committee members on following framework:

- Does the institute involve employer in PAC meeting of this institution
- Whether the institute invoves employer in designing Add on course
- Whether the institute involves employer in conducting program specific industrial visits

- Whether the institute involves employer in offering industrial internships.
- Whether the institute incorporates employer inputs on latest industry requirements in designing add-on/ certificate programs.
- Whether the institute involves employer in designing bridge courses
- The curriculum offered in relation to your current professional standards
- The institute obtains employer insight on syllabi content with global trends
- The institution is practising the latest learning methodologies



Point Aggregate- 4.18/5

Suggestions by the committee:

- Design the Curriculum as per professional standards.

21	Ms. Savitha TV	Member	Student Representative	
22	Mr. Thamaram Chowdhary	Entrepreneur	Local Society Member	

The IQAC Chairperson and coordinators extended a warm welcome to all members attending the meeting.

Agenda 1: Review of 35th IQAC MOM and action taken report

- IQAC team of TOCP has presented the action taken report of previous external IQAC meeting to the committee members. Committee members suggested that all the ongoing activities should be completed in the defined timelines.

Resolution:

The committee members approved the MOM and action taken report of 35th IQAC minutes.

Agenda 2: Discussion on Plan of actions and Add-on courses for the Academic Year 2023-24.

- IQAC chairperson discussed about Add-On courses (25 identified in line with stakeholder feedback) topics and syllabus pertaining to the same.
- Discussed about the initiatives aimed at providing adequate support and guidance to students enrolled in Add-On courses.

Resolution:

It has been resolved to finalize topics and syllabi for 25 identified Add-On Programmes to implement. Feedback collected from students pertaining to the Add-on courses shall be discussed in the upcoming meetings.

Agenda 3: Course Outcome mapping and achievement across different courses.

- Explored strategies for CO mapping and ensuring successful attainment of Course Outcomes (CO) as a key agenda point in the meeting.

- It has been discussed that the assessment process is designed to achieve course outcomes (COs) in accordance with university guidelines. As the university has not provided any program outcomes (POs), only partial attainment has been possible, and no individual weightage attainment for individual COs no being calculated.
- Discussed methodologies and approaches for effective alignment and achievement of educational objectives.

Resolution:

Resolved to proceed with finalized methodologies for achieving course outcomes and no weightage to be calculated for POs as per the university guidelines.

Agenda 4: Discussion about implementation of various audit-plans.

- The principal updated committee members on the progress of AAA and quality audit plans, stating that internal audits for both have been completed.
- Additionally, the principal briefed members on the internal audit findings and mentioned that external and quality audits will be conducted in due course.

Resolution:

The committee were briefed by principal on the status of AAA and quality audit plans, including the completion of internal audits and the proposal for external quality audits in due course.

Agenda 5: Review of Stakeholder Feedback on curriculum

- The committee has reviewed the feedback analysis report of stakeholders pertaining to curriculum for the academic year 2022-2023.
- The committee members were briefed on the suggestions given by various stakeholders and proposed actions in line with the same.

Resolution:

It is resolved that committee members have approved the proposed plans of actions in line with the same and also suggested to present the action taken status in the next meeting.

Agenda 6: Discussion on grants and publications

- Research Dean and IQAC suggested HODs to encourage senior faculty to nurture junior faculty members and students to apply for extramural fundings.
- Suggested to enhance the quality of publications by publishing in high-quality Journals.

Resolution:

- **The committee members suggested that Dean R&D to start a road map for enhancing the research culture in the institution. Also suggested to organise FDPs on Modalities of developing research proposals and nurturing writing skills among all the faculties.**
- **It is also suggested to develop a concept note bank in line with competency matrix of the institution.**
- **Resolved to motivate faculty to publish papers in journals of high repute which is high index.**

Agenda 7: NAAC related works

- The committee members recommended initiating actions for the NAAC cycle 3 accreditation process, proposing to file the IIQA in the last quarter of the academic year 2023-2024.
- IQAC team informed members on the status of NAAC preparedness.

Resolution:

The committee resolved to commence actions for NAAC cycle 3 accreditation, aiming to submit the IIQA by the final quarter of the 2023-2024 academic year, following updates from the IQAC team on NAAC preparedness.

36th IQAC MEETING - ACTION TAKEN REPORT

Date	Minutes of Meetings	Resolution	Action taken
13th December 2023	IQAC team of TOCP has presented the action taken report of previous IQAC meeting to the committee members. Committee members suggested that all the ongoing activities should be completed in the defined timelines.	The committee members approved the MOM and action taken report of 35th IQAC minutes.	Following the approval of the Minutes of Meeting and Action Taken Report of the 35th IQAC meeting by the committee members. The IQAC initiated the implementation of outlined decisions and resolutions, ensuring effective progress and compliance with agreed-upon actions.
	The IQAC chairperson reviewed topics and syllabus for the Add-On courses based on stakeholder feedback and discussed initiatives to provide courses.	It has been resolved to finalize topics and syllabi for 25 identified Add-On to implement support initiatives for enrolled students. Feedback collected from students pertaining to the Add-on courses shall be discussed in the upcoming meetings.	IQAC chairperson implemented initiatives to provide adequate support and guidance to students enrolled in the 25 identified Add-On courses, ensuring alignment with discussed topics and syllabus.
	The meeting explored strategies for mapping Course Outcomes (CO) and ensuring their successful attainment, but due to the absence of POs, only partial attainment is feasible with no weightage calculation.	Resolved to proceed with finalized methodologies for achieving course outcome.	Actions were taken to implement strategies discussed for mapping Course Outcomes (CO) and ensuring their successful attainment, but decided to not give any weightage to POs as per the university guidelines.

	The principal informed committee members about the completion of internal audits for the Academic Administrative Audit (AAA) and quality audit, and mentioned plans for internal audits.	The committee resolved that the principal's briefing on the status of AAA and quality audit plans, including the completion of internal audits.	The principal ensured completion of internal audits for the Academic Administrative Audit (AAA) and quality audit, with plans in place for external audits.
	The committee members and IQAC suggested HODs mentor senior faculty and students for extramural funds and focus on publishing in high-quality journals. The committee proposed starting NAAC cycle 3 accreditation actions, aiming for IIQA submission by late 2023-2024.	The committee resolved to implement suggestions from the IQAC, focusing on mentoring for extramural funds and high-quality journal publications. Additionally, they decided to initiate actions for NAAC cycle 3 accreditation, aiming for IIQA submission by late 2023-2024.	Actions were taken to implement the resolutions, including mentoring programs for extramural funds and publication guidance. Additionally, steps were initiated towards NAAC cycle 3 accreditation, with plans for IIQA submission by late 2023-2024, while the IQAC team continued to provide updates on NAAC preparedness.
